RESOLUTION OF THE GENERAL COMMITTEE OF THE ABERDEEN BOAT CLUB LIMITED PASSED AT A MEETING HELD ON 16TH DECEMBER 2014

At a Meeting of the General Committee of The Aberdeen Boat Club held on 16th December 2014 at the Club House, IT WAS RESOLVED that the following numbered Regulations to the Operational and General Regulations set out in Regulation B 3 e) of the By-Laws of The Aberdeen Boat Club Limited be substituted for the existing Regulations so numbered:

“e) Moorings and Hardstanding

- (viii) An applicant shall have 30 days to respond to an offer from the Club for a mooring/allocated space by presenting a boat purchase advice in respect of a new or second hand boat. If the Member wishes to take up the option of a mooring/allocated space, he shall enter into a formal Agreement with the Club within 30 days of the offer and mooring fees will be charged from the date of that Agreement regardless of whether or not the mooring is occupied. The mooring/allocated space shall be occupied by the Member's vessel within 3 months of the offer date. This time limit may be extended by application for an extension of time with justifications to the Sailing and Marine Committee. During this grace period the Club reserves the right to allocate the mooring on a temporary basis to another Member.
- (xvii) When a vessel occupying a mooring/allocated space is sold, the former owner shall surrender his mooring to the Club.”

These Regulations shall become effective and become part of the Bye-Laws of the Club on 1st January 2015 pursuant to Article 67 of the Articles of Association of the Club.
