WAGLAN BAR STAYING OPEN

Friday 3rd April 2020

Dear Members,

You certainly have now heard about the newest action requested by our Government to fight the propagation of the COVID 19 virus in the society.

We have now been informed that from Friday 3 April at 6pm and until 17 April 5.59pm, all bars exclusively or mainly serving alcohol must be closed.

As our operation is mainly food related we shall keep our bar open, but there is only one condition from our licensing authority the HAB to be strictly adhered to, is that no alcoholic drink can be served without being part of a meal." Non-alcoholic drinks can be served without ordering food.

Also, please note that as of next Monday the Four Peaks restaurant will be opened every day.

Lastly, from this evening the travel declaration has become obsolete, since the mandatory quarantine for travels coming into Hong Kong has been implemented for more than 14 days.

Best regards

Chris Pooley
