Cancellation Policy (Please note cancellations notice **must be made by email**):

For the junk hire reservation made in writing, a non-refundable deposit of \$3,000 is required. The amount will be charged to your membership account once the date is reserved for you.

If you need to change the date of the junk usage, you must notify us at least 14 days before the scheduled day. Otherwise, the full charter fee will be charged.

Changes to the reservation date may only be requested once, and the new date must be provided within one month after the change request is approved.

Terms and Conditions for Bad Weather and Tropical Typhoon Signals

Pre-Trip Conditions: If, prior to the junk trip, Tropical Typhoon Signal No. 1 or a Red Rainstorm Warning is issued, or if two hours before departure a higher tropical signal is downgraded to Signal No. 1, or if a Black Rainstorm Warning is downgraded to Red, the journey will proceed as scheduled.

On-Hire Conditions: If a Strong Wind Signal No. 3 or a higher signal, along with a Black Rainstorm Warning, is issued while the junk is on hire, the coxswain is required to return to the club early in accordance with marine safety ordinances. No compensation will be provided for any unused time.

Cancellation Policy: In the case of a Strong Wind Signal No. 3 or higher and a Black Rainstorm Warning, the trip will be automatically canceled and rescheduled to a mutually agreed date within one month. If no agreement is reached, a 50% charge of the junk hire fee will be applied to the member's account and will not be refundable.
