1 December 2020

Dear Members,

RE: NEW RESTRICTIONS IN LIGHT OF THE INCREASE IN COVID 19 LOCAL CASES.

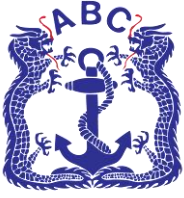

During the CE press conference held at 4pm on 30 November 2020 we were informed of very strict new measures to implement on Wednesday 2nd December and for a period of 2 weeks until 15 December.

All existing measures under cap 599 (web links at the end of this letter) are still in place and valid with the new amendments as follow:

- The Playground and playroom will be closed.
- The swimming pool will be closed.
- The gym remains open but with a maximum of 2 people per group separated by 1.5 meter and wearing masks at all time.
- The restaurants will close at 22:00 and tables will be reduced to 2 people maximum with separation of 1.5meter between each group.
- Frequent checks on premises will be performed and much heavier fine and imprisonment term given if the premise license is found to be breaching any regulation under 599 F, G.
- QR tracing is mandatory for us to display and members are strongly encouraged to use this important tracing tool when entering or leaving the premises. It will be displayed at the three entrance of the club and on Middle Island steps.
- I must also inform that even private yachts were openly cited and told to not organize parties and respect all 599F restrictions. More information from the Marine Department have been sourced for clarification of this requirement. A copy of the MARDEP warning is on our website under the COVID 19 information and Marine Notice.

IMPLICATION FOR OUR CLUB OPERATION

- All gathering and seating is now limited to two people.
- **No more guests allowed until we can return to 4 people per table.**
- The Patio, Waglan, Four Peaks and the Galley will close at 22:00 with a last order at 21:30.
- Middle Island restaurant opening and closing remain unchanged.
- Our function rooms will still take function following all restrictions

- We have purchase special partitions to be used in our outlets to maximize the number of seats and provide you with a safer environment.
- The swimming pool will close tonight.
- The snooker room cannot have more than 2 players at any one time.
- The Playground and playroom will be closed.

IMPLICATION FOR OUR CLUB EVENTS.

- The commodore's drink planned this Sunday will be postponed for a later date yet to be determined.
- Santa Visit to the Club and Children party planned on Saturday 12 will be tentatively postponed to Wednesday 23. If the new measures are still in place, later on, it will be cancelled this year, as this function involved a lot of mix and mingle which is what the government wants to avoid.
- All other Christmas functions are for the moment still going on, we will call you if you have booked if there is any changes as Government directs.
- I take this opportunity as well to remind our Members again that since the beginning of this pandemic, to keep our environment as safe as possible, the Club has been disinfected every day with 852 disinfection product.

We are terribly sorry for all these inconveniences lets hope that a vaccine will be accessible soon and that our lives can return to normality.

In any case let me and our team wish you as much as it is possible a Merry Christmas .

Stay safe have a great weekend,

Sincerely yours,

Philippe de Manny

General Manager
