**9. David Rees**  
**Club member since 1996**  
**Proposed by Andres Hernandez Sanchez; Seconded by Claire Kirk**

**Biography**

Having arrived in HK 30+ years ago, I've been fortunate to raise a family here with much of our time centered in the ABC alongside our friends and boaters for 24 years. I am an active member as is my family. I own a boat on a club mooring in Aberdeen, frequently volunteer for the Club, set up ABC Cruisers for non-racing outings and am in the fortunate position to contribute my time over the next several years to pay back some of what the ABC has given us and our community.

Over the years I have been in many groups including the family circle (my eldest son took his first steps poolside to the cheering of lifeguard, patio staff and kids alike), foodies, sailors and those that love Middle Island. Dinghy sailing was important to us for many years with kids in lessons with my younger son forming a school sailing club and bringing it to the ABC for Friday afternoon sailing. Yet it's larger boat sail-cruising for us today as we frequent waters and islands on the south side of HK every couple of weekends.

I am hopeful that my professional experience in property facilities and operations in HK and around the region can offer some benefit to the diverse day-to-day needs of the ABC in addition to my general love of the club, members and staff. I look forward to serving, keeping the club special for all of us.
