3rd February, 2021

Dear Members,

Once more the government has extended all COVID 19 restrictions for our catering business until February 17 2021. That means all outlets closing at 6pm, take away orders until 9pm, 2 per table, 50% capacity allowed with not more than 20 persons per function and no recreation. Masks must be worn at all time unless you eat or drink or shower. Temperature checking still compulsory and travel declaration as usual, you all know the drill by now.

But not all is bad news, as our sailing center has been allowed to re-open from 4 February that is to say that hiring dinghies, SUP and Kayaks is now possible and our training and teaching will resume ASAP please contact our sailing department for schedule and availabilities. Other indoor sports and the swimming pool sadly remain closed as well as all racing.

Please be reminded that it is a mandatory requirement for all guests to register their arrival and departure using the *LeaveHomeSafe QR code* OR use the registration book. There is no restriction of guests during weekdays but during weekends and public holiday a maximum of 4 guests per account at the main clubhouse and 6 guests on Middle Island as stated in the Club byelaws.

Best regards,

Philippe de Manny
General Manager
