COVID 19 RELAXATION  
FOLLOW UP**

28 May 2021

Dear Members,

**RE: Vaccine bubble leading to more flexible hours**

You all have by now heard about the 4 modes of operation A, B, C and D. each of them requiring various vaccination and registration levels. On the 5 May I informed you that the Club will try to improve its operating hours within a week; well it took a bit longer.

We are today glad to inform you that we have made such good progress in our vaccination campaign that we are able to move from a B operation to a C operation. As there are some requirements involved with this change that may feel too obstructive for some members, the committee on 25 May decided to operate under C regulation partially to give everyone an option.

On 1 June the *Waglan* bar and terrace, *Four Peaks* restaurant and the function rooms will be designated zone C.

The Coffee Shop and Swimming pool as well as Middle Island will continue operating in zone B.

Operating under C regulation means:

That all staff working in or for this area would have been vaccinated.

That we can have six people per table.

That we will be open until midnight.

There are some other restrictions of which it is necessary to draw your attention to and ask for your kind adherence to them, they are:

Each person aged 16 to 64 must use the **LeaveHomeSafe** mobile application.

Persons aged under 16 with an accompanying adult are exempted from registration.

Persons aged under 16 without the company of an adult, and persons aged 65 or above may opt to complete the new record form available for them.

Not more than 20 per banquet.

Operating at 50% capacity.

The situation will be reviewed monthly with a progressive increase of capacity in our outlets operation to the extent permitted as restrictions ease.

## WAGLAN FLOOR, ZONE C OPERATION

Wishing you a great summer at the Club
