NOTICE TO MEMBERS WEDNESDAY 18TH MAY 2022

Dear Members,

RE: latest relaxed social distancing measure from 19TH May.

We received on Tuesday details of the **second round of relaxation starting tomorrow 19th May.**

As ever, regardless of the relaxation we still need to ask you once again to assist us to comply with the usual vaccine pass regulations, use the updated LHS App to enter the club and show your vaccination records (remember they must be updated to 31st may 2022 requirements) or have your Exemption of vaccination paper ready for verification. **Please refer to my notice sent on 29th April for the vaccine pass updates schedule.**

Hopefully the next missive will announce that we can travel free, stop the repetitive LHS and vaccination checking but particularly the exemption of that very itchy mask wearing.

DINING SERVICES RELAXED AS FOLLOW

- All outlets opening and closing remain as before, closing at 10pm, except now the Waglan and Four Peaks will be closing at midnight, as before the restriction.
- Tables can now be set up to 8 people for banqueting and 8 for restaurants.
- Guests' policy now resumed as normal in the Club that is to say 4 guests per account, Middle Island policy will remain at 4 guests for the time being.
- We will now take bookings for the function rooms up to 85% of their capacity which is 42 people in the Bridge and 70 for the Harbour room.
- Of course we still have to respect all social distancing and infection control measures such as vaccination pass, mask wearing etc.; you all know the drill.

RECREATION ACTIVITIES

You may now remove your mask while using our sports facilities during strenuous exercise

- Snooker, Gym, Indoor and outdoor Playgrounds can now have 8 People at a time. No restriction in playground except that group of people must not exceed 8.
- Junk hiring has now restarted place your booking fast as the list will fill-up in no time.
- The swimming pool can now have a maximum of 30 persons inside the fenced area.
 - Lanes will be removed
 - Maximum 8 people per group separation.
 - Still no guest allowed for the time being until we are able to operate at 100%
 - You must still sign up on the list for session of maximum 1hour and 30 minutes we shall see if this can be remove in the coming week.
 - Masks are not compulsory while swimming and walking from the changing room to the pool.

ABC STILL CONTINUES WITH EXTRA PRECAUTIONS:

The club in house disinfection routine is done TWICE a day now including shower, tables, chairs and doors.

All staff members are tested everyday (instead of every 3 days)

We apologise for any inconvenience caused if the service is somehow disrupted, but we will continue to strive for your utmost safety and your convenience.
