## NOTICE TO MEMBERS THURSDAY 24<sup>TH</sup> FEBRUARY 2022

Dear Members,

RE: UPDATES ON COVID 19 REGULATIONS

It is expected by the Government that all tightening of social distancing and all relevant additional measures will be maintained till 20 April 2022.

The Government will now extend and review the social distancing measures by cycles of 14 days with the present cycle taking effect from Thursday 24 February until 9 March 2022.

With the raging omicron infection rate Hong Kong will implement a C.U.T (Compulsory Universal Testing) coming up next month. Testing the entire population over one week three times. The numbers of infection will certainly explode and the medical system already on their knees we may expect more and more restrictions.

As we already operating under the vaccine pass regulation cap 599L, type D operations, not many changes in what we were doing is to be done. There is however one additional information about the vaccine pass requiring all to be fully vaccinated within a certain schedule see the poster at the end of this letter.

Please once again assist us to comply with the regulations, use the updated LHS apps to enter the club or have your vaccination paper ready for checking

### **Now for the small changes this time round:**

- Table seating, despite operating a Type D place is now reduce to 2 and 1.5 meter distancing between groups needs to be respected.
- Sadly we must now restrict guests to 2 per account and a maximum of 2 table use per accounts. (Some flexibility are considered for family with 3 children)
- Banqueting and meetings are still cancelled except for business meeting with no catering up to 50% of our capacity and following the 2 per table and 1.5 meter separation on top of all Vaccine pass requirements.
- **Last but not least in these dire times for all the Club will cancel the minimum F&B for MARCH and APRIL**

### **ABC EXTRA PRECAUTIONS:**

The club in house disinfection routine is done **thrice a day** including shower, tables, chairs and doors.

All staff members are now **tested everyday on arrival with R.A.T** and if in doubt sent for a PRC test, then sent home with the order not to get out before being cleared by the authorities.

We have been using the function rooms for staff to have meals and rest with sufficient space to respect social distancing.

We apologies for any inconvenience caused if the service is somehow disrupted, but we will continue to strive for your upmost safety and your convenience.

Yours faithfully,

Philippe de Manny

General Manager
