COVID 19 RESTRICTIONS NOTICE

Thursday 6 January 2022

Dear Members,

As you all know or heard already our dear friend COVID variant Omicron is becoming a serious concern for the authorities and new (or should I say old) restrictions have been brought back to the industry and will disturb our operation drastically.

The new restrictions will officially start on Friday 7th January and for a period of 14 days (at first), until Thursday 20th January. That is of course if the restrictions are adhered to by all and the fifth wave of infection brought under control.

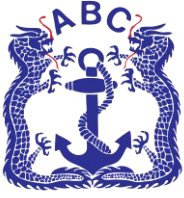

For the general Club operation I am afraid we are back to where we were one year ago and the following activities will be cancelled or amended.

1) CANCELLED ACTIVITIES

- a) All courses for Sailing and power boat training
- b) Squad training
- c) Dinghy hiring
- d) Kayak
- e) SUP
- f) Junk Bookings
- g) Four Peaks Race

2) CLOSED FACILITIES

- a) Swimming pool
- b) Squash court/Badminton
- c) Gym
- d) Snooker
- e) Playground indoor and outdoor

3) OPERATING OF OUR CATERING FACILITIES

- Maximum people per table is now reduce to 4.
- **NO MORE THAN TWO GUESTS PER ACCOUNT EVEN ON MI**
- All restaurants will open as usual but all dining must be finished by 6:00pm and tables vacated.
- A take away service will be available from 6:00pm until last pick-up at 8:00pm from the coffee shop.
- Any item from the coffee shop menu can be ordered not later than 7:45pm, otherwise pre-ordering by phone, fax or email is possible.

4) OTHERS RESTRICTIONS

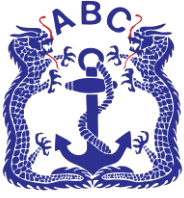

- a) Temperature checks, Leave Home Safe (LHS) scanning are still compulsory.
- b) CAP 599G has been amended and no more than 4 people are allowed to gather together.
- c) CAP 599I Mask must be worn at all time unless you are eating or drinking that is to say when you walk around please put your mask back.
- d) CAP 599F social distancing of 1.5 meter apart must be respected.

5) HEADS UP FOR LATER IN FEBRUARY

- a) By the 24 February, only members and guests who have received at least their first dose of Covid-19 vaccine will be allowed to access any Clubs. This has already been officially announced by the Government. This means that the Club may operate, by default, under D system, opening up to more flexibility in table and function size. This operating system D yet has to be decided by the General Committee.
- b) Please prepare your Vaccine certificates either in your LHS apps or in hard copy so that we will be able to check vaccination record accordingly.
- c) If you are exempted, your medical certificate will have to be produced for record. Children exempted from vaccination do not have to be recorded.

1) MARINE OPERATION

- a) The ATS sampans will continue to operate as normal and pontoons remain open.
- b) Ferry to Middle Island will operate as follow:
 - i) Monday to Thursday (No ferry to MI, unless it is to moorings).
 - ii) Friday to Sunday 09:30am – 5:45pm

In order to get rid of this fifth wave fast and efficiently please help us to comply with the regulations and be considerate to others and yourself by remaining prudent during your visits to the Club and other places in Hong Kong.

Do understand that we may have to ask you or your guest not to enter the club should you refuse or not comply with the restriction imposed to all of us.

We are sorry for all the inconvenience caused they are outside of our control but trust that we will do everything possible to make your visits as smooth and enjoyable as possible and for that we need to work together.

Yours faithfully,

Philippe de Manny

General Manager
