NOTICE TO MEMBERS WEDNESDAY 1ST JUNE 2022

Dear Members,

RE: latest NON-relaxed social distancing measure from today.

You must all have heard that there is no change in the social distancing restriction as announced yesterday.

We shall therefore still need you to conform, to what has been our daily visiting routine.

As for the vaccine pass regulations, as of today you should have had your third doze of vaccine done unless you have been previously infected or you are within 6 month of your second doze. Other special requirements are detailed in my 29th April Message and a link to the vaccine pass scheme is appended below.

Remember to update your LHS App or have a hard copy of your vaccination record or your Exemption of vaccination paper ready for verification.

For your information all our staff are complying with the 3 dose regulation, only 2 have not received it yet as one was infected 2 months ago and one is within the 6 month limit from his second jab.

We apologise for any inconvenience caused, if the service is somehow disrupted, but we will continue to strive for your utmost safety and your convenience.

For a full detail of the relaxation scheme please visit:

www.info.gov.hk/gia/general/202205/31/P2022053100802.htm

For vaccination pass regulation:
