

NOTICE TO MEMBERS

Saturday 29th January 2022

Dear Members,

All previous COVID 19 restrictions are carried forward until at least 17th February.

Please note that in order to assist our un-vaccinated members from 3rd February and until they have time to arrange their vaccines, we will reserve 2 car parks, number 54 and 55 on the upper parking deck to collect only pre-order take away. You may not enter the Club but give us a call on 2554 9494 and we shall bring your order to you.

MORE INFORMATION FOR THE COMING WEEKS TO ACCESS THE CLUB UNDER THE NEW GOVERNMENT "VACCINE PASS" REGULATION.

Further to my previous notice on the 3rd of February the Club will be operating under TYPE D. This requires that only vaccinated members will be permitted to enter the Club premises from the road or pontoons. There are some exemptions in the legislation for non-vaccinated people and I would greatly appreciate from the latter full cooperation to make this transition as smooth as possible.

On 27th January the Government announced new arrangements for medical exemptions under the newly called "vaccine pass"

Only members with **valid medical certification**, who are ineligible for vaccination due to age; or unsuitable for vaccination due to health reasons will be exempted from the vaccination proof and allowed entry. Please do follow all social distancing and hygiene precautions while using the Club.

The Department of Health (DH) has produced a template of the Exemption Certificate. The validity period of the Exemption Certificate is pre-set at 90 days, with the longest validity being 180 days. The actual validity period will be decided by the doctor having regard to clinical conditions. Doctors will issue an electronic QR code attesting to the medical certification for non-vaccination. This QR code can be added to your LHS application or into your Government's eHealth System. This will make the checks fast and efficient.

Should you not have a smartphone, a paper copy of your COVID-19 vaccination record or Exemption Certificate printed with an encrypted QR code for scanning will be sufficient.

COMPULSORY TESTING NOTIFICATION

Lastly, should any member shall fall under a **compulsory testing notice** they may not enter the Club until a negative compulsory test is produced. Persons subject to compulsory testing will have the notice shown on the LHS app.

We are aware that some of you may not appreciate the value of the vaccine but for those who do, be sure that all measures to protect your health will be taken and implemented seriously. We consider and cherish the safety of our members and staff as a priority over any individual choices or consideration.

We apologise for any inconvenience caused, but we will continue to strive for your upmost safety and your convenience.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Philippe de Manny', with a stylized flourish extending to the right.

Philippe de Manny
