# ABC OPENING REGATTA

## 22<sup>nd</sup>- 23<sup>rd</sup> SEPTEMBER 2018

### Introduction Letter to Sunseeker ABC Opening Regatta 2018

It is fitting that ABC's major annual weekend regatta, which heralds the start of the Autumn and winter racing season, should take place during the Equinox which occurs on Sunday the 23<sup>rd</sup> September. By then we all hope the monsoonal transition will have sufficiently to provide us with an exhilarating weekend's sailing.

By popular request the racing programme has reverted to the original format: Saturday Windward/Leewards for all, three for the IRC hardies and two for everyone else. Sunday Island courses for all, with a wide selection of Easterly and Westerly options to suit all conditions listed in the Appendix. Sunday's exertions will be rewarded by a party on Middle Island and the prize giving. ABC Middle Island hospitality is of course available to all to enjoy informally after the W/L's on Saturday.

As ever this is not only the Opening, but an OPEN , regatta at which ABC is delighted to welcome competing sailors from other Clubs or none; the more the better. With a month to go some early birds have registered so we expect have the usual large number by the deadline on the 19<sup>th</sup> September.

Of course the event does not just happen by itself and we are greatly indebted for the 15<sup>th</sup> successive year to **Sunseeker** for their invaluable support. Backed up, thirsty sailors will be glad to note by **Steambox Beer Company** and **Amorosso Wine**; and for thirsty yachts fine fuels from **Fuergy**. We greatly appreciate their support and hope they will enjoy their participation in the event. Behind the scenes, but very much in evidence ABC's Marine team will be hard at it organising races and attending to safety issues during the weekend.

On the subject of safety all competing yachts are requested to pay close attention to their location whenever tacking close to the Traffic Zones. Courses are set to steer well clear of these Zones to the extent possible, but inevitably drift factors can lead to near incursions. Nobody likes to hear five repeated loud blasts!

That said ON to the racing: - I wish all competitors fun, fair and exhilarating racing and a great start to the Hong Kong Sailing Season here at ABC.
